Game Rules

- Competition will start with Round-robin in which each Parish will play once against all the other Parishes, until each Parish gets enough score to go to the next round. The score determining who will be qualified to the next round will be set on day based on the number of participants. Usually the second round is the semi-finals then finals.

HOW IT WORKS

1. Round Robin

Round Robin inside each group (each player will play against all other players) to get the 1st, and 2nd from each group.

2. Semi-Final

1st from Group A will verse 2nd from Group B, 2nd from Group A will vs 1st from Group B

3. Final

The winners from the Semi-Final game will verse each other to get 1st and 2nd of WHOLE tournament for that Age Group.

- To make the result independent on the number of participants from each Parish, the following rules will be followed:
 - Parish A (2 Players) X Parish B (1 Player) ==> Parish A will have to nominate one player to represent, to verse the player from Parish B
 - Parish A (2 Players) X Parish B (2 Players) ==> For Parish A to win, the two players must both win, or one win and the other draw. Otherwise, the wining player from each Parish will verse each other.
- If there is more than one player from the same parish for same age group, then please ensure to tick the box “Nominated Player” in the registration form for the player who will represent the parish in the scenarios mentioned above
