Game Rules

- There will be two rounds of races per league
- Each round will consist of multiple races with each race is 15 laps
- Each race will have 8 players at a time
- After each race the players will be ranked according to the best lap time out of the 15 laps and will be assigned certain points depending on their rank for that race.

Please see below example:

Position	Points	Best Lap Time	Kart Number	Player Name	Church Name	League
1	20	07:00:00	1	Player 1	Church A	Boys Gr 7-9
2	18	07:20:00	2	Player 2	Church B	Boys Gr 7-9
3	16	07:40:00	3	Player 3	Church C	Boys Gr 7-9
4	14	07:49:00	4	Player 4	Church D	Boys Gr 7-9
5	12	07:50:00	5	Player 5	Church E	Boys Gr 7-9
6	10	08:10:00	6	Player 6	Church F	Boys Gr 7-9
7	8	08:30:00	7	Player 7	Church G	Boys Gr 7-9
8	6	08:40:00	8	Player 8	Church H	Boys Gr 7-9

- After all races for round #1 is completed and all players from each church team have completed round one, then round # 2 will commence.
- Let us assume the below are the results for “Church A Team” for the two rounds:

Player Name	League	Church Name	Round #1 Points	Round #2 Points	Total Points
Player 1	Boys Gr 7-9	Church A	18	20	38
Player 2	Boys Gr 7-9	Church A	20	16	36
Player 3	Boys Gr 7-9	Church A	14	18	32
Player 4	Boys Gr 7-9	Church A	16	14	30
Player 5	Boys Gr 7-9	Church A	12	20	32
Player 6	Boys Gr 7-9	Church A	18	12	30
Church Total			98	100	198

- So, the Church final score for the league will be:

Church Final Score (per league) = (Total Points / Number of Players Per Team) = (198 / 6) = 33

- Then all churches will be ranked for that league according to the final score

Church Rank	Church Name	League	Score
1	Church A	Boys Gr 7-9	33
2	Church B	Boys Gr 7-9	32
3	Church C	Boys Gr 7-9	31
4	Church D	Boys Gr 7-9	30
5	Church E	Boys Gr 7-9	29
6	Church F	Boys Gr 7-9	28
7	Church G	Boys Gr 7-9	27
8	Church H	Boys Gr 7-9	26

** If it happens that two or more churches got the same final score then the fastest lap time will be used to sort the tie breaker between the final churches ranking above.*
