## **Objective (must read)**

This guide is designed to explain the process to be followed by each church in order to pay the registration fees for any of the following:

- ❖ Co-Curricular activities
- ❖ Sports
- ❖ Yearly Church Contribution

So, the various Summer Festival Committees can easily track the payments on-time and link it back to the relevant activity to smoothly be able to confirm the registration of the church in the specified activity.

## **How It Works (must read)**

- ❖ Each type of activity per church will be assigned a unique code to represent that specific type of activity (*please refer to your church unique codes in the coming below pages*)
- ❖ There is no repetition for any code at all between church for all activities types.
- ❖ **Very Important Note:**
  - That means for each activity type the church needs to make a single transfer per activity type.
  - The above means that the church will perform multiple transfers depending on which activity types it is participating in it.
- ❖ Any payment **must be done by the required due date** and not after it for the church to confirm its registration for that activity (*no lumpsum is acceptable from this year onwards*)
- ❖ The church yearly contribution for the Summer Festival will also need to be paid using a unique code for your church (see examples below)
- ❖ **Another Important Note:** All Payments **must be done by either the Church Servant or the Church Treasurer** (*No Parents Payments will be accepted*)

(Our doctrine, from the start,  
established by God himself,  
preached by the apostles,  
and our fathers kept it safe.) **2x**

a strong tree of faith,  
its roots trace back to history,  
pure and watered by God's words  
(Rites and also liturgy) **2x**

firm,  
firm in my faith and doctrine  
Our church is fatherly  
Orthodox as my forefathers  
Heroes of the Coptic church.

Mark, Athanasious, Dioscoros,  
heroes and pillars of faith,  
though heresies arise,  
still we're steadfast in our faith.

Rooted in your church,  
**be firm in what you've learned.**
